Supply List

- Mac or PC running PS 5.1 or later (latest version is preferred). As much RAM as possible – while most can squeak by with as little as 4GB, 16 Gb would be better.
- Wacom tablet or Cintiq.
- DVD player on the computer... Newer MacBook Pros don't actually include a tray.
- Fine black Sharpie pens.
- 8"x11" plain copy paper

Traditional Option: acrylic or gouache paints.

- Simple warm/cool paint palette of the primaries and secondaries, plus black and white paint.
- Disposable paper palette.
- Cold press illustration board
- Removable tape for taping off paintings while working.
- Selection of 1/2 and 3/4 synthetic flat brushes. My favorite is the WN 995. Not sure if it's still made.
- # 2,4,8 round brushes
- Plain old #2 pencils/Bic ink pens.
- Carton for water.
- Paper towels.
